

## ImageXaminer Grid Tool: Graphic Organizer

Study the image to answer questions from the “Study the Documents” worksheets. Use the ImageXaminer’s grid tool to divide the image into quadrants. Look closely to see what new details become visible when you focus on each quadrant. List people, objects, activities, or whatever else catches your eye.

<p>People:</p>          <p>Objects:</p>          <p>Activities:</p>          	<p>People:</p>          <p>Objects:</p>          <p>Activities:</p>          
<p>People:</p>          <p>Objects:</p>          <p>Activities:</p>          	<p>People:</p>          <p>Objects:</p>          <p>Activities:</p>
