

**Science Fair**

# Clue Cards

INT906P

## • Directions •

The Science Fair Clue Cards are full of important facts your students will need to solve the mystery in *Science Fair*.

There are six sets of color-coded Clue Cards, one for each team of investigators.

**30 Blue**

**30 Green**

**30 Orange**

**30 Purple**

**30 Red**

**30 Yellow**

Each set of cards is numbered 1a through 10c. These numbers correlate to Clue Activities 1–10. As Investigation Teams complete each Clue Card Activity, award them one, two, or three clues, depending on how well they demonstrated their cooperative group skills and how successful they were at completing the activity.
