## PARADE POEM

### PARADE

A band is playing  
out in the street;

Horns are tooting  
and big drums beat.

A little fife  
plays a merry tune,  
up and down,  
all afternoon.

Behind the band  
the marchers come,

With flags and banners,  
and kettle drum.

People line up  
by the curb to see;

They wave their hands  
excitedly.

Windows fly open  
and heads pop out;

People clap hands  
and yell and shout.

Oh, what fun  
to see a parade,

And hear all the music  
the band has made.

Assessment: Words relate to the parade; describing words appropriately describe the parade.

## DESIGNING THE FLOAT

A designer draws a picture, called a sketch, that shows the shape and features of the float. The sketch is used by the builders to make a float. Look at these two sketches for a float.

Which of these pictures do you think will make a better float? Why?
